IT IS FURTHER ORDERED that the following case management deadlines shall govern:

Requests by a party to change the timing or scope of discovery, other than a mutual agreement to extend a deposition reached during the deposition,

¹ This deadline applies to motions related to the admissibility of experts or expert testimony that may require a *Daubert* hearing, but otherwise does not apply to motions *in limine*. The Court will set a motions *in limine* deadline in a separate order.

must be made by motion and before the termination of discovery or the expiration of any applicable deadline. Discovery must be completed on or before the termination of the discovery deadline. A written discovery request must be propounded by a date which ensures that the response to that request is due on or before the discovery deadline. The parties are further reminded that the cutoff for motions related to discovery does not relieve the party of the twenty-one (21) day time-period under Local Rule 26.6 to challenge a party's objections to answering discovery. The parties are encouraged to review Federal Rule of Civil Procedure 26(a)(2) to ensure they properly disclose *all* testifying witnesses, not just those for whom a report is required.
